New Business Specializing in Luxury Performance Autos Opens

Prescott, AZ, (5/20/10) — Prescott businessman, and former co-owner of European Auto Technicians, Gary St. Amour, proudly announces the opening of **Auto Exotica**, a luxury performance auto buy/sell, consign and personal concierge service, located at 7202 E. Cave Creek Road #8D, Carefree, AZ 85377.

Some features of the new business include:

personalized buy/sell/consign service * pre-purchase inspections * insurance appraisals * extended warranty & maintenance plans * performance modifications * service & maintenance consultation * free Prescott pick up and delivery * enclosed long-distance transport

The main objective at **Auto Exotica** is to meet the unique desires of luxury performance vehicle owners, whatever that may be. St. Amour comments, "First Class personal customer service is the ONLY way I do business and that always begins with building an honest relationship, fulfilling a customer's true needs and exceeding expectations. Those needs may include finding a highly specialized vehicle for purchase, selling a luxury vehicle on consignment or regular maintenance checks on an entire private car collection". He goes on to add that during his 40+ years in the auto industry he has cultivated strong, long-term business relationships worldwide.

About Gary St. Amour

Gary St. Amour's passion for high performance and precise engineering began as a boy growing up in the Detroit area. He worked on a GM manufacturing assembly line while attending Michigan State, where he earned a degree in engineering. As his passion grew he began building hot rods, racing go karts and joined the SCCA at 21. He went on to complete driving school for Formula Ford at Silverstone, UK, race FF and F3 in UK, crew for March race cars and legendary Nicki Lauda in F2 and has known the likes of Jackie Stewart, John and Jack Delorean, and John Greenwood. St. Amour experienced drag racing the Ramchargers car, the 1973 LeMans race, and has owned and raced a myriad of Ferraris, Corvettes and BMW's in a wide array of venues, sanctioning bodies and classes, as well as owning and operating aircraft. A Prescott resident since 2002, St. Amour became the sole-owner and operator of Old World Auto Craft in 2004, acquired a business partner, built a new state-of-the-art facility and changed the businesses' name to European Auto Technicians in 2007. He recently sold his interest in the business to pursue this new business adventure, and life-long vision ...**Auto Exotica**.
